VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at shows please note the following points:

When sending your clearance certificate to the G.C.C.F. Veterinary Officer, please include your copy of the rejection slip.

1. Please DO NOT send these certificates by recorded delivery post as this can cause considerable delays in receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed postcard to acknowledge receipt, for signature, and this will be returned to you.
2. Exhibitors should NOT attend shows until they have received a letter accepting and confirming clearance from the G.C.C.F. Veterinary Officer. It is recommended that this letter be taken to shows within one month of issue.

WARNING

Breeders and owners are hereby warned by the GCCF of the unfortunate consequences, which may follow the sale of the whole litter to one buyer. The ACA cannot be responsible for cats and kittens bought at the show neither will they be held responsible for details of such which may appear in the catalogue.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Reg'd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form, which will save unnecessary notification of discrepancies when that show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show management's are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and both must sign.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) Spelling errors
- (b) Separation of cat's names that should be one word, and vice versa
- (c) Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) Overseas titles preceding the name of an exhibit, sire or dam, etc
- (e) Full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) Breeder, joint when single and vice versa

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER. If registration/transfer were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

- EXHIBIT Totally incorrect name
- REGISTERED OWNER Joint when they should be single and vice versa
- (EXHIBITOR) Declaration not signed by registered owner(s)

NB The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.

- BREEDER Totally incorrect name or names

NB The breeder of a cat is always the registered owner of the dam on the date of the cat's birth

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW

These entries will be disqualified. Remember the effective date of all registrations and transfers is the first date of valid receipt by the GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY THE GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.

Entries such as these will also be disqualified, as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

CAT REGISTERED ON THE REFERENCE REGISTER

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

EARLY REMOVAL. THERE SHALL BE NO EARLY REMOVALS GRANTED. EXHIBITORS MUST ENSURE THAT THEY ARE ABLE TO STAY UNTIL THE OFFICIAL CLOSE OF THE SHOW.

Entries close on 8th March 2010 (postmark) and should be sent to the assistant show manager. The Committees reserve the right to retain a percentage of all entry fees to cover essential expenses in the event of a strike, emergency or any other unforeseen circumstances which cancel the show. Entry Fees, once received and accepted, cannot, under any circumstances, be returned, except as under rule 4.

A stamped addressed envelope must accompany all correspondence if a reply is desired. Exhibitors desiring acknowledgement of entries must enclose a stamped addressed postcard **or you may provide your email address on your application form.**

All exhibits at the show must have a current vaccination certificate against feline infectious enteritis. **YOU WILL BE ASKED TO PRODUCE THIS CERTIFICATE AT THE SHOW**, failure to do so will result in rejection under Section A, unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within 7 days of the show. Failure to do so will lead to disqualification from the show and the exhibit's name will be placed on the veterinary rejection list until proof of vaccination is received by the Office. Please note Homeopathic vaccination is NOT acceptable.

You are advised against using any shampoo that changes a cat's colour as this may lead to disqualification.

Rule 21. Exhibitors are reminded that they are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the Show Hall.

Any person whose cat(s) have been rejected under Sections C or D must not officiate as a Judge or Steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.

The use of small battery driven fans in pens can be dangerous, and could be considered a distinguishing mark.

IMPORTANT NOTICE

The minimum age for kittens at this show is 14 weeks. No Kitten born after the 27TH DECEMBER 2009 will be accepted.
